

USED CAR WEEK

NOVEMBER 11-15, 2019 · LAS VEGAS, NV

2019 ATTENDEE LIST

Used Car Week is about bringing people together, building relationships and uniting the auto industry.

Four major events – the Pre-Owned Con, Auto Fin Con, Repo Con and the National Remarketing Conference – split between two blocks, featured sessions that touched on all corners and facets of the pre-owned vehicle market to ensure attendees got a full pulse on where the auto business is today – and where it’s headed in the future.

A huge thank you from the Used Car Week team to our presenting sponsors, Allied Solutions, DRN, Dealer Specialties, Millennium Capital & Recovery Corp., and SmartAuction, as well as our additional sponsors, speakers, attendees and everyone who plays a role in the machine that is Used Car Week. This past week of over 1,000 attendees and over 160 speakers gathered for a week-long event that brought together all corners of the used-car industry.

Stay tuned to usedcarweek.biz and the Used Car Week blog, for updates on Used Car Week 2020, scheduled for Nov. 16-20, 2020, at the Westin Kierland Resort & Spa in Scottsdale, Ariz.
